

登山道から山小屋を望む

夏休みに自宅でのんびりしていたら、急に、久しぶりに一人で山へ行きたくなった。思い立ったが吉日。早速、去年同好会有志で登った北アルプスの常念岳へ向かうことにした。夏休みのため、電車は多くの家族連れで混み合っていた。いつものとおり早々に宿に入り、明日の朝に備える。

次の日、まだ暗いうちに宿を出た。天気が良いことが空を見てわかる。ルートは三股からと決めてある。このルート、前半は林の中の急坂を登っていく。あいにく風がなく、額から汗が流れ落ちる。こまめな水補給を心がける。ペットボトルを片手に、休憩なしで一気に登って

みた。さすがにきついが、ほかの登山者グループをひとつ、またひとつと抜いていくのが快感だった。（ただし、私は超軽装備の状態だったので、あまり自慢できる話ではないが・・・。）とにかくこのあたりはハイペースで登り、自分の体力を試してみた。

急坂を越えると勾配が緩くなる。ようやく太陽が登りはじめたが、同時に霧が出始めて、見通しは悪い。さらに登っていくと、むき出しの岩石が多い急勾配になっていく。ここはかなりきつい。

We do NOT share e-mail addresses, obtained via communication with visitors to APSASF.org, with anyone.

We make no effort to identify public users of irt.org. No identifying data is disclosed to any third party for any purpose. Data that we collect is used only for server administration and Web protocol research. While we will strive to deliver content and advertising that are specifically relevant to you, our pledge is that irt.org, will not release personal data to anyone else without consent. If others want this information, including your name or your email address, only you can choose to give it to them.

As is typical, we log http requests to our server. This means that we know the originating IP (e.g. 18.29.0.1) address of an agent requesting a URL, the visitor's domain name, referral data, and browser and platform type. We do not log the specific identity of visitors. We occasionally analyze the log files to determine which files are most requested. Our logging is passive; we do not use technologies such as cookies to maintain any information on users. We also count, track and aggregate the visitors activity into our analysis of general traffic flows at irt.org. To these ends, we may merge information about you into group data, which may then be shared on an aggregate basis with our advertisers; but irt.org will not disclose your individual identity or personal data without your permission. When irt.org does present aggregated information to outside companies, no one will be able to identify you or contact you. We also log requests to our search, CGI, and list maintenance services. This data is only used for administration and researching the efficiency of our tools. Logged information is not disclosed outside of irt.org staff personnel. Aggregate (completely non-identifying) statistics generated from these logs may be reported as part of research results. Internet Related Technologies (irt.org) works with a third party that serves ads to this site. To find out more about how Flycast manages the privacy of information in conjunction with serving ads on this site, please go to http://www.flycast.com/about_us/about-privacy.html. Additionally, users should be aware that when they voluntarily disclose personally identifiable information (e.g. name, email address) on the bulletin boards of irt.org, that information, along with any substantive information disclosed in the user's communication, can be collected and correlated and used by third parties and may result in unsolicited messages from other posters or third parties. Such activities are beyond the control of irt.org.
